Splash Off

Thursday, April 9th 11:00am – Noon

CAMP POLLOCK
1501 Northgate Blvd
Sacramento, CA 95815

The Annual Creek Steward Award will be presented to:
**Sac State Sustainability – CSUS Students
Volunteering for the Environment**

VOLUNTEER FOR CREEK WEEK 2020!

Be part of an area-wide volunteer effort to improve and enhance our urban waterways. Trash and invasive plant removal and water quality testing all help support a healthy creek system.

You will have a great time and feel great about the work you have done to help protect our environment.

RIVER REMINDER:

Our creeks flow into the Sacramento and American rivers. Taking action to promote creek health also benefits our rivers!

Creek Week Volunteers Go Greener!

ON CLEAN-UP DAY WE:

- Avoid using plastic by bringing our own water and snacks in reusable containers
- Bring a bucket or re-use plastic shopping bags to collect trash
- Bring our own work gloves
- Join the Creek Week mailing list to receive paperless newsletters and brochures

YEAR-ROUND WE:

- Remind DIYers to always recycle used motor oil filters because it's good for our creeks and the environment.
- Follow directions when using paint, garden and cleaning products – to protect ourselves and the environment.
- Act on the knowledge that the dangers of plastic often outweigh the benefits.
