

Ballot Statement – Nick S. Avdis

I am a third generation Natomas resident and rancher. In addition to carrying on my family's ranching traditions with my wife and two young children, I have also been a practicing Sacramento land use attorney for the better part of two decades and am a two-term trustee on Reclamation District 1000. Throughout my life, I have seen Natomas grow and thrive into the high quality, family-oriented community that it is today, due in no small part to the flood control efforts of those that came before us and those that continue to fight for the needed protections to our levee systems. I am proud to stand among them, fighting for flood improvements that protect our families, homes and businesses. I have much more to offer my community through my service on Reclamation District 1000 and would be humbled by your vote.
